@united nice your app says US 4972 delayed by weather. Pilot says waiting on fuel. One in ur control, one not  
@united Please thank Robin at EWR Premiere Desk for helping me get on an earlier flight. She did the work. Huge thank you!  
@united Ok thank you, do you provide complimentary hotel accommodations since I'll have to stay overnight?  
@united I was originally trying to share details but the link Jimmy Samartzis Vice President - Customer Experience sent me was broken  
@united really? 3 hr delay, 4 gate changes, & you boarded us, sent us back up, & boarded us again. Won't change your process  
@united that would help! or how about integrate it into the App so I can just "activate" it and surf...  
@united I did. The AC went on for about 20 minutes before returning to the Mojave Desert. #PressureCooker #HeatTrap

@united when an airline causes the missed connection u would think they would take whatever steps to remedy that screw up  
@united I'd thank you - but you didn't help. taking 6 hours to reply (so I get a message in the middle of the night) isn't acting like you care  
@united Flight UA1270 is descending into farce and we haven't left EWR yet. Is this going to get any worse?  
@united I was told it was due to be on UA23 which flies direct to Dublin, so why did it go to London? This is a complete screw up

@united thank YOU for your kindness. Your agents went above & beyond to get my stranded family home.  
@united don't see a justifiable cost to get on an early flight with seats. No airline charges to conveniently get their passengers home  
@united Woke up to notification- flight moved 1.5 hrs early. Barely made flight then 3 hrs layover in SFO - wanted to hop on  
@united I will do delayed baggage claim when I land. Hopefully the bag isn't broken into, damaged or lost w/c will result in a refund

@united 2 Cancelled Flights Late Flight, agent claimed she put me on a new flight but then Cancelled Flighted it.  
@United of urgency, but this is ridiculous. Your ceo claims to be customer focused, yet when delays happen, planes sit at the gate  
@united I wasn't asking for a full refund but delaying me 3 hours and giving no reason should be enough to give partial credit  
@United flight was scheduled for 11:56, it's 1:05 and we haven't moved. I have never been on a flight where everyone moves so slowly

@united Flight 211/ORD gate agent tried to prevent me from taking onboard a bag I've used for 15 years! Flight crew was so rude  
@united thank you. Literally called for preboarding as I ran up.  
@united why do you guys split up the charges to credit cards? Making it unnecessarily more expensive for people to fly with you  
@united it was UA381 on 14 Feb. Point is, overselling flights= bad. Making people wait 1hr while you kick them off after boarding

@SouthwestAir There is no option just to Cancelled Flight? I don't want to change flight, I want to Cancelled Flight.

@SouthwestAir Thank you for your time!

@SouthwestAir Lastly, for a company that's trying to put the love in flying it would be nice to have someone personally address my concerns.

@SouthwestAir In my letters to follow, I will be sure to include my Rewards Number, twitter handle, and email address.

@SouthwestAir Flight 2078 to Balt hit turbulence, babies cried, kids vomited. Chaos. Flight attendant Caroline was a super hero.

@SouthwestAir By the way the flight number was 1703, please feel free to fact check my complaints about leave time & arrival time.

@SouthwestAir Finally got me home #BNASnow

@SouthwestAir Therefore, since I've received no recourse through phone I have submitted an email complaint & I will be following up.

@SouthwestAir I consider myself a loyal customer to the brand but I'm astounded at the lack of concern about customer's experience.

@SouthwestAir This experience was the worse flying experience I've ever had. To be met w/ contempt from your Customer Service is unacceptable.

@SouthwestAir looking for cheap flight to vegas

@SouthwestAir please let those with nothing in overhead bins to exit first. Fly a lot and only bring purse. Tired of running to the gate.

@SouthwestAir All I requested was a refund of my Reward Points that I used to purchase the flight and he refused.

@SouthwestAir So today I call into Customer Service & speak with Wendell Holton in the Dallas office & I am told that he will look into it.

@SouthwestAir We did not get a single answer from any Southwest personnel. After an hour's wait. No apologies, no explanation.

@SouthwestAir I, along with other passengers repeatedly asked Southwest personnel what was taking so long, where was the plane.

@SouthwestAir took delivery of N8661A, a new Boeing 737-8H4 yesterday. <http://t.co/5z9STyUQJ3> #DFW #DAL #airlines

@SouthwestAir Next once we arrived to Atlanta, we waited a full HOUR before our luggage was placed on a carousel. Or at least that's what they said.

@SouthwestAir Secondly, we did not begin boarding on time despite our aircraft being present and deplaned. Thus we left the gate late.

@SouthwestAir 2 bags fly free! So what's with all the carry-on's? #packingayak @BrianReganComic

@SouthwestAir First there were cockroaches crawling on the counter at the gate and visible mouse traps under the seats.

@SouthwestAir I am completely displeased with the service I received on yesterday flying from LGA to ATL.
